307.105-1 Format and content.

The Department does not prescribe a standard format for the acquisition planning document, but recommends the use of a format similar to what is provided in this section. The subject areas addressed in paragraphs (a) through (e) must be included in every acquisition planning document. An OPDIV, agency, or regional office contracting activity may prescribe a standard format for the acquisition planning document and may include additional subject areas that are pertinent to that activity's needs.

- (a) *Identification information*. The contracting activity shall prescribe the information necessary for readily identifying a planned acquisition. The information may include items such as acquisition planning document number, request for contract number, public law, program or project officer, etc.
- (b) Programmatic considerations. (1) Description of the project/supplies/services. Include a brief description of the proposed project/supplies/services. Discuss all anticipated future requirements related to the acquisition. Discuss any past, present or future interrelated projects.
- (2) Project funding. Include the summary of funds expected to be obligated for the entire project by fiscal years and phases. Include expenditures for previous years. Discuss the probability of obtaining future years funding and/or what specific managerial action can be taken to insure future funding (if applicable).
- (3) Background and acquisition history. Provide a brief factual summary of the technical and contractual history of the supplies/services being acquired.
- (4) Related projects, efforts undertaken to avoid duplication of effort. Discuss efforts made to determine if existing projects, supplies or materials will satisfy the requirement. Include any related in-house efforts, searches, and clearinghouse reviews made to avoid duplication of effort.
- (5) Need for project/supplies/services. Discuss rationale for deciding on the need for the project/supplies/services.

(6) Special program clearances or approvals. Review 307.105–2 to determine which special program clearances or approvals are required. Specify clearances or approvals applicable to this acquisition.

(7) Phasing. Briefly describe discrete tasks or stages of accomplishment which could be susceptible to phasing. Describe criteria for evaluation of performance of each phase before proceeding to the next. (See 307.105–3(c)(3)

for a discussion on phasing.)

- (8) Government furnished material/facilities. Indicate material and facilities that will be furnished to the contractor and any associated problems which may be encountered. Discuss possible inequities which may arise in furnishing the materials or facilities. Discuss screening efforts for availability through GSA excess property schedules.
- (9) Discussion of project risk. Provide a discussion of major areas of project risk including technical, cost, and schedule risk. Describe what efforts are planned to reduce risk. If an acquisition, which is planned to be awarded using other than full and open competition represents a significant portion of a proposed contractor's business, discuss the impact on technical capability, realism of schedule, changes in contractor workload and related cost impact.
- (10) Reporting/delivery requirements. Describe the basis for establishing the delivery/reporting requirements and include the anticipated deliverables and time(s) for delivery.
- (11) Replication, dissemination, or use of the results. Discuss anticipated replication, dissemination, or use of the results. Describe user audience and their expected use. Include a description of the delivery system.

(12) Data, data rights, patents, copyrights. Discuss data to be developed. Specify data to be delivered and data to remain in the contractor's possession. Discuss how the data is to be used, maintained, disclosed and disposed of by the contractor. Discuss data subject to the Privacy Act or Confidentiality of Information clause. Discuss data to be delivered with limited rights, data where title would not vest in the Government, and anticipated
